Points will be issued on the 10th of the month following the close of the previous month's statement. Points can only be accumulated using the published IcareLabs price list. Points will only be redeemable to active accounts who have a current payment status. Once an account hits an inactive status (3 months of inactivity) Icare Rewards are no longer redeemable. Reward\$ points expire 12 months from date of issue. Rewards balances can be obtained monthly via fax or email.
